

# Estate Jewelry COLLECTION Jewelry Sell to Us Form

Looking to sell your jewelry to Replacements, Ltd.? Request an Offer to Purchase with these easy steps...

To help us give you the most accurate offer, please provide the following information for each item of jewelry you wish to sell. **We do not purchase loose gemstones, costume jewelry, or ivory.** We also buy watches. Please follow the link for watches on the previous webpage to request an Offer to Purchase for any timepiece you may wish to sell.

To serve you, we need for you to email us a clear photo(s) of your jewelry, as well as a photo of any documentation related to the item (such as appraisals, gem certificates, etc.). Photos should not exceed 3MB in size per email. Unfortunately, if you are unable to send photo(s) and provide us necessary information, we will not be able to evaluate a purchase in most cases.

Once our GIA Certified Gemologist has made an evaluation, if we're able to purchase your item(s), we'll contact you with an Offer to Purchase defining the terms and conditions of our offer and any sale.

**NOTE: We do not buy costume pieces, heavily worn or damaged pieces, or items that are not authentic.**
