

Estate Jewelry COLLECTION **Watch Sell to Us Form**

Looking to sell your timepiece to Replacements, Ltd.? Request an Offer to Purchase with these easy steps...

To help us give you the most accurate offer, please provide the following information for each watch you wish to sell. **We do not purchase pocket watches at this time.** We also buy jewelry. Please follow the link for jewelry on the previous webpage to request an Offer to Purchase for any jewelry you may wish to sell.

To serve you, we need for you to email us a clear photo(s) of your watch(es), as well as a photo of any documentation accompanying or related to the item. Photos should not exceed 3MB in size per email. Unfortunately, if you are unable to send a photo(s) and to provide us necessary information about your watch(es), we will not be able to evaluate a purchase in most cases.

Once our Certified Watchmaker has made an evaluation, if we're able to purchase your watch(es), we'll contact you with an Offer to Purchase defining the terms and conditions of our offer and any sale.

NOTE: We do not buy costume pieces, heavily worn or damaged pieces, or items that are not authentic.
