GREENSBORO, N.C., October 26, 2021 – Replacements, Ltd has been awarded on *Newsweek's* list of Best Online Shops 2022. This prestigious award is presented by *Newsweek* and Statista Inc., the world leading statistics portal and industry ranking provider. The awards list was announced on October 14, 2021, and can currently be viewed on *Newsweek's* website.

The Best Online Shops 2022 were selected based on an extensive research effort that began with a thorough screening process. Statista Inc. performed detailed testing of each online shop and conducted a nationwide survey of approximately 6,000 American online shoppers. Survey participants were asked to evaluate online shops on Trust & Security, Structure & Usability, Payment, Purchase & Delivery, Service & Communication, Technical Performance, and Likelihood of Purchase. Out of the thousands of online retailers Statista Inc. evaluated, only 1,000 have been awarded in 8 industries and 39 different categories.

Replacements, Ltd. is ecstatic to be recognized on *Newsweek's* list of Best Online Shops 2022. Founder and CEO Bob Page said “being named by *Newsweek* as one of America's Best Online Shops of 2022 is a testament to the energy and focus we devote to the customer experience and is the culmination of our 40th anniversary celebration this year.
